THE WINDOW

Sammy Simpkins Loves Spanking

Why are you in my study without permission, Girl?

Your window has the best..

A comic panel showing a character from behind, wearing a blue cape and white pants, standing in front of a large window. The character's buttocks are large and pink. A speech bubble from the character says "view, of the playground Sir!". A black arrow points towards the character from the bottom left.

view, of the
playground Sir!

And?

A comic panel showing the same character from the same perspective as the first panel. A speech bubble from the character says "Well, I wanted to wave to them Sir!". A black arrow points towards the character from the bottom left.

Well, I wanted
to wave to them
Sir!

What... Butt naked?

Didn't start out like that, Sir!

What d'you mean, Girl?

The window...
it fell on me Sir!

How did I not
guess as much?

Of course. Who else
could it possibly be,
but you Simpkins!

**Still. I've got
you in the
perfect position.
So I suppose
this is a good
day for me,
eh. Simpkins!**

**And
me, you
sucker!**

Hope this
will put you..

off from

Simpkins?

Otherwise,

more of this.

THAT?

**My word Sir. You gave
me a heck of a whacking!**

**Yes. You deserved it. Do I
detect a tear, Simpkins?**

They're tears of joy. Numpty!

Now, get out. Simpkins!

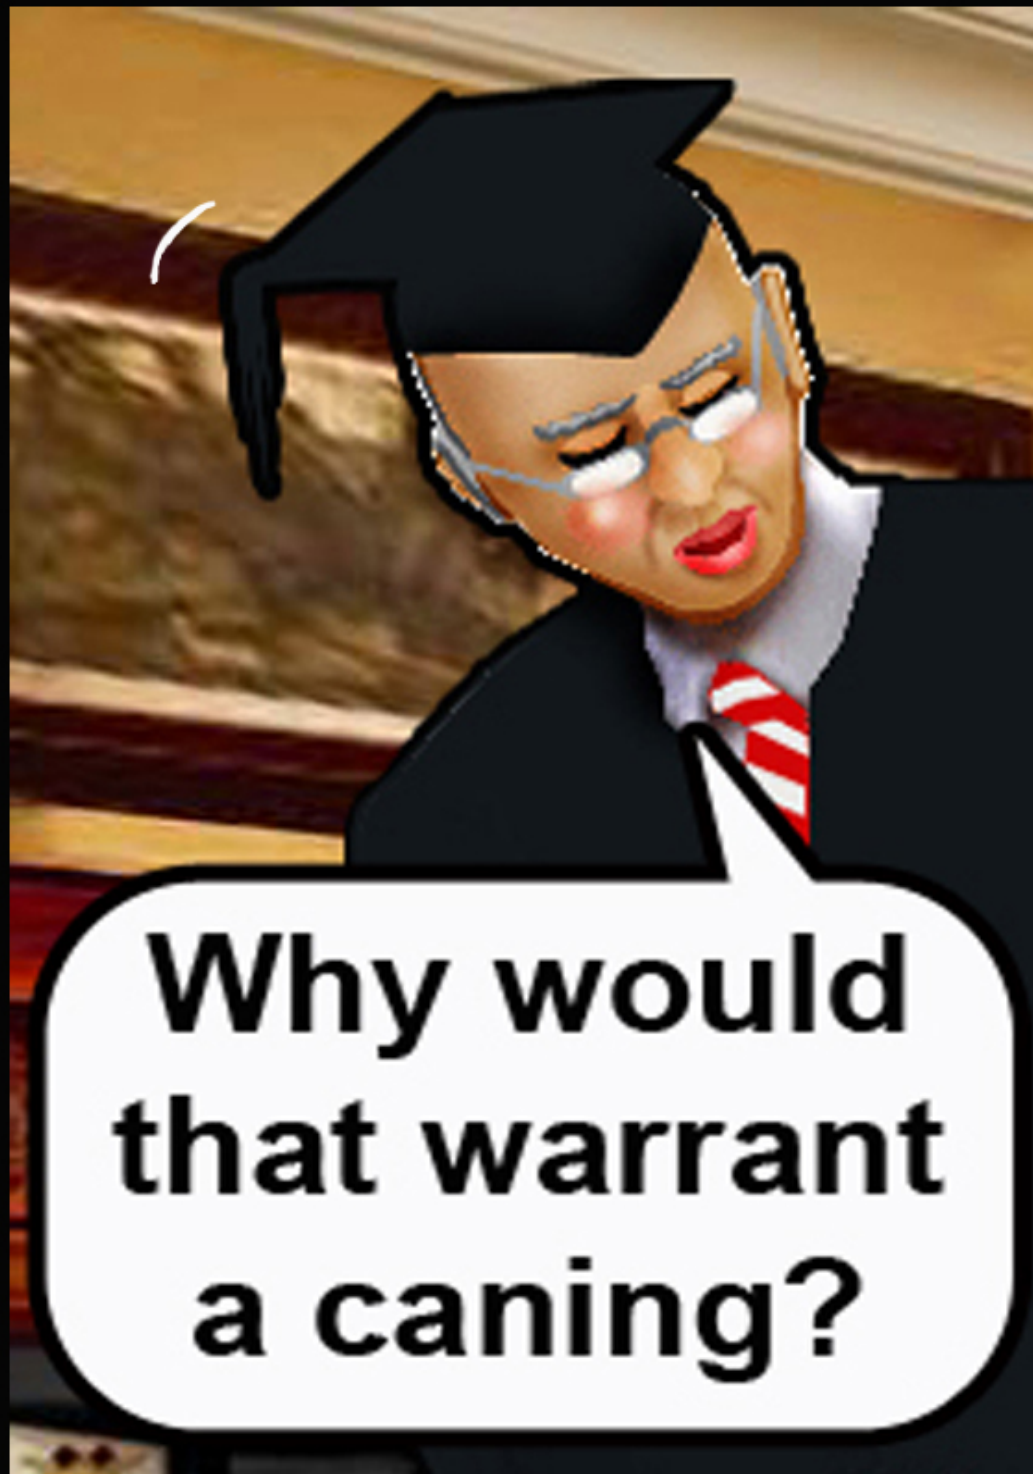

Why have you been
sent for another
beating, Simpkins?

Because of the apple I
gave to the games
